

# Directions for sewing “Cat Naps” hammocks

Step 1: Cut fabric for the finished dimensions shown in the diagram. Finished dimensions should be roughly 30 " x 22" .

Step 2: Sew 1/2" hem all the way around, turning under ( or serging ) all unfinished edges

Step 3: Fold over top edge of fabric to create a 3 inch flap.

Step 4: Sew across long edge of flap. Leave sides of flap unsecured, creating a pocket as for a curtain rod.

Step 6: Fold over bottom edge to create a 3 inch flap ( serge or turn under raw edges) . Repeat step 4.

Step 7: Install 3/8 " grommets or return to HSSM to have grommets installed
